

## Rules and Regulations

---

The following rules and regulations of Five Seasons Family Sports Clubs (the "Club") are set forth in the best interests of the entire membership and are effective as of club opening, superseding all previous rules and regulations and are subject to change, without notice, and interpretation by Club management.

### Membership

1. A membership application form must be completed and approved. Monthly dues and charges are billed each month to the member's account. Members may pre-pay their dues annually. Pro-rated refunds for dues are available in the event membership is terminated as set forth herein and dues were paid in advance for any period after the date of termination. Dues are billed continuously until the club is notified, in writing, of the member's wish to discontinue.
2. Monthly dues amounts are subject to change at the discretion of the Club. Members will be given written notification prior to any changes in dues. If a member has prepaid dues prior to this change, the member will be responsible for the difference in dues.
3. The obligation to pay dues is not dependent upon the availability of the Club's facilities. Repairs, maintenance, safety or special events may require the restriction of use or closing of various areas from time to time. Dues will not be reduced or suspended during the time when such facilities are not available.
4. To use the Club's sports or recreation facilities, you must be a member in good standing or an invited guest of a member in good standing. Membership cards will be issued for all members and must be: a) used to gain access to both indoor and outdoor sports areas; b) referred to by number when making court reservations or transactions; and c) used when signing for club charges. To replace a lost membership card, there will be a \$10.00 fee (replacement card requests for children/teens must come from a parent/adult).
5. Membership privileges may not be loaned under any circumstance.

### Membership Change of Status

1. A member may change status by notifying the Club, in writing, 30 days prior to the proposed change.
2. If a member is upgrading (changing to a higher membership category) there will be a charge amounting to the difference in the current initiation fees between the membership categories. No service fee will be charged for upgrading membership.
3. If a member is **downgrading** (changing to a lower membership category) there will be no refund of the difference in the current initiation fees between the membership categories.
4. Change of membership type is limited to only those plans currently available.
5. If during the course of a membership, a child of the couple turns 3 years of age, the membership must be upgraded to a family status in order for the child to use the Club.
6. A downgrade change of status may be made no more than once in a 24 month period.

### Termination of Membership

1. A member may **terminate** membership upon a **30 day written notice** to the Club and return of all membership cards. Membership cards must be returned to the membership department upon termination in order to stop monthly dues.
2. The Club reserves the right at any time to suspend or terminate the membership status of any member for failure to comply with Club rules and regulations, nonpayment of dues or fees, or any conduct determined to be improper or detrimental to the Club or its members. In the event of suspension, the members are still responsible for all dues and any additional charges to their account until their cards are returned.

## LIABILITY AND WAIVER OF CLAIMS

1. It is expressly agreed that all use of the Club's facilities shall be undertaken at the member's sole risk, and the Club shall not be liable for injuries or damages to members or guests, including, without limitation, those injuries or damages resulting from acts of active or passive negligence on the part of the Club, its owners, officers, employees or agents. Each member, for himself/herself and family members, and on behalf of his/her executors, administrators and assigns, expressly releases and forever discharges the Club, its successors and assigns, as well as its owners, officers, employees and agents, from all such claims, injuries, damages, actions or causes of action.
2. It is further agreed that the Club shall not be responsible or liable to any member(s) or guests for articles lost or stolen on Club property, or for loss or damage to any other property of members or guests, including their automobiles and the contents thereof.

## CLUB CHARGES

1. Members who are current with their accounts may sign for club charges (court fees, lessons, guests, restaurant, pro shop, etc.) and have them included in their monthly billings. Bills will be computed at the end of each month. Statements will be mailed at the beginning of each month and are due upon receipt. Members may pay charges on a daily basis. Accounts that remain unpaid 30 days from the billing date will be considered delinquent. **A member whose account is 60 days delinquent may be placed on a "credit hold" (no charges allowed on the account) and may be denied access to the Club until the account is brought to a current status. A member who fails to pay dues or other charges after 90 days is subject to automatic termination and reporting to the Credit Bureau.** Reinstatement would require payment in full of the delinquent balance. The Club reserves the right to disallow future charging privileges and/or require EFT enrollment, if available.
2. The Club may suspend Club use and charging privileges if the Club believes the member's ability to pay such charges may be impaired.
3. There will be a \$15 per month late fee charge on past due accounts. Further, there will be a \$25 charge for returned checks.
4. The Club's preferred payment plan is via EFT (Electronic Funds Transfer), wherein your bank

automatically pays the Club invoice on the 15<sup>th</sup> of each month after members have reviewed their current charges. This method avoids late charges and is convenient as the member does not have to write out a check, put it in an envelope and mail it.

5. Parents or legal guardians are responsible for any charges accumulated by the children within their membership plan.
6. Junior members are required to present their membership cards when signing for all club charges.

## Days of Operation

3. The Club's operating hours will be posted in the Club. Those hours may vary throughout the year based on the demand for use of the Club's facilities.
4. The Club reserves the right to schedule tournaments, exhibitions, parties, promotional programs, rentals, leagues, and other special events, in which case some or all of the Club's facilities may not be available for use by members.

## Guests
